1. Power to hold inquests, (Section 135).
2. Power to entertain complaints of offences and to receive Police reports in cases in which he has jurisdiction to try or to commit for trial, (Section 141).
3. Power to issue order to prevent obstruction, &c., (Section 518).
4. Power to issue order prohibiting repetition of nuisance, (Section 519).

G. F. MERKLEJOHN,
District Magistrate.

Season Report of the Mysore District for the month of March 1886.

Rain.—Very light rain fell in some of the Taluks, the total quantity gauged being 1·55.

Crops.—Standing crops generally good. Paddy and black and green gram sown in the Seringapatam and Channarayapatna Taluks. Sugar-cane and lamp-oil seed harvested in parts.

Health.—The public health has been generally good. Small-pox prevalent in some places.

Cattle.—One thousand four hundred and ninety-seven head of cattle died from all causes against 1,952 in the month previous.

Prices.—The prices of staple articles were almost stationary.

ABDUL KHADER, K. B.,
Dy. Commr.

KADUR DIVISION.

NOTIFICATIONS.

The 28th April 1886.

Tenders are hereby invited for restoring the Brahmasamudra anicut and channel, Kadur Taluk, for which an estimate for Rs. 11,058 has been sanctioned.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 25th May 1886.

4. The final acceptance of any tender will rest with the Secretary to the Government of Mysore, Public Works Department, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tender will be accepted unless accompanied by a deposit of Rs. 50 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicant in due course.

The 30th April 1886.

Tenders are hereby invited for completing Chikmagalur-Yedahalli road, for which an estimate has been sanctioned for Rs. 44,306, of which Rs. 28,003 have already been spent up to date.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 27th May 1886.

4. The final acceptance of any tender will rest with the Mysore Public Works Department Secretary, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tender will be received unless accompanied by a deposit of Rs. 50 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to the applicants in due course.

Tenders are hereby invited for improving the Madag tank and channels, Kadur Taluk, for which an estimate will be sanctioned for Rs. 11,000.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 27th May 1886.

4. The final acceptance of any tender will rest with the Mysore Government Public Works Department Secretary, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

5. No tender will be received unless accompanied by a deposit of Rs. 50 as earnest money.

6. Within eight days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to the applicants in due course.

The 3rd May 1886.

Tenders are hereby invited for repairing the Keresanti Doddakere tank, Kadur Taluk, for which a supplemental estimate for Rs. 2,160 has been sanctioned, the original estimate having already been given on petty contract.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 28th May 1886.

4. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tender will be received unless accompanied by a deposit of Rs. 20 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicant in due course.

D. SITARAM RAO,
Executive Engineer.
